

JUNEAURAPTOR CENTER

September 12, 2022

To members of the Juneau Raptor Center:

It is with great sorrow, that the Juneau Raptor Center Board has decided to suspend operations of the Juneau Raptor Center. It is due to many factors that this decision has been made. First and foremost is the loss of volunteers and Board members to continue the work. This will be the last summer of Lady Baltimore's presence at her enclosure on Mount Roberts. The pager will be silenced as of September 30, 2022. The clinic phone will remain active until the end of October 31, 2022. For the time being the website will remain active until the end of October as well, with the PayPal option removed. The Gmail account will remain active until December 31, 2022.

I would like to take this opportunity to thank all the people and organizations within the Juneau community, as well as those outside Juneau, who have been supportive and caring in the work that we have done and accomplished these past years. We would not have been able to do as much as we have.

If there are any questions or concerns, please feel free to contact us at the phone number listed below.

Dale Cotton, President
